

Celebrating 65 Years of Service to the Walnut Cove Community and surrounding areas.

Come out and visit with your local Fire department on this special occasion as we celebrate 65 years of service. Current equipment will be on display as well as memorabilia from the past. We welcome any past retirees to come out and share memories from the past, so the current and future generations appreciate the time and effort that was put in to make our department a successful organization.

We look forward to seeing every one there!
